EDUCATION

Indiana University Bloomington
Kelley School of Business
Bachelor's degree, Marketing
2017-2021

bitcoin park

Apr 2025 - Present

General Manager, Austin | Operations Lead & Chief of Staff

- Own Austin operations and Bitcoin Park's content and media, spanning web design, campaigns, content capture, and publishing.
- Hosted six summits across Austin and Nashville in 2026. Led Austin budgets, vendors, and guest experience; both summits finished under budget, totaling 22% below plan.

IMAGINE IF

Sep 2025 - Present

Speaker Operations & Digital Campaigns | Bitcoin Park

- Designed the summit website and digital campaign; owned graphics, social publishing, and on-site content capture.
- Led a 15-person production team for a 1,000-person summit; managed speakers, two-stage flow, and security, coordinating 36 interviews in parallel with 33 sessions over two days.

TANGENTS

Jun 2026 - Present

Executive Producer | Bitcoin Park media portfolio

- Launched a weekly live show; own guest outreach, editing, graphics, publishing, and promotion across AI, energy, and Bitcoin.
- Own editorial, design, sponsor placements, and daily publishing for a newsletter with 26% year-over-year audience growth and a 31% email open rate.

AI Freedom Lab

Jan 2026 - Present

Experience Operations | Bitcoin Park

- Built operations for the first AI Hack for Freedom, now held quarterly with strategic partners. Lead the series' content capture, visual design, and breathwork.
- Co-created Sovereign AI Club, a Socratic meetup on AI news with a focus on local and sovereign AI.

Deloitte.

Jul 2021 - Apr 2025

Human Capital Analyst → Consultant

- Led software-adoption training and communications for 600+ sales representatives in an $8B sales organization at a global technology leader.
- Owned work activity research and analysis informing organization design for a 1,300-person healthcare revenue cycle operation.
- Partnered with global People Operations and HR Technology teams at a leading technology company during a period of growth, redesigning HR processes across seven cross-functional business units to support an expanding workforce.
